WAISTCOAT STITCH

Insert hook into center (between V), pull yarn through, then pull through both loops to complete single crochet.

MAGIC CIRCLE

Step 1:
Lay the yarn tail from left to right across the top of your index finger, then loop the yarn once around four fingers, laying the working yarn behind the yarn tail. The working yarn will fall to the right and the tail will fall to the left

Step 2:
Loosen the loop from your fingers carefully, keeping the working yarn behind the yarn tail. Use the crochet hook to pull up a loop from the working yarn.

SL, cut short tail and pull through

Change to Black Yarn

Black Yarn

Insert into first SC of White Magic Circle

Chain One

RND 1: 2 sc in each sc BLO around
SL, cut 12" tail and pull through

Assembly

Line up finish off of Red/Black half circle and White half circles, wrong sides together. Tuck tails of White and Red Yarn inside

Thread Black tail into needle and whip stitch back loop of Black stitches to the back loop of White stitches until 1" hole remains.

Stuff Pokeball

Whip stitch using same technique to connect both halves entirely, tie knot and pull remaining tail through ball to the opposite side.

Snip remaining tail close to the Pokeball's surface, so that when squeezed it pulls back into ball and stays hidden.

Pin Circle to front of Sphere, where the finish off of the Half Spheres are lined up.

Thread Black Tail of Circle into needle and stitch Circle onto Sphere. Tie knot behind Circle and pull remaining tail through ball to the opposite side.

Snip remaining tail close to the Pokeball's surface.

MAGIC CIRCLE

Step 3:
Chain one stitch.

Step 4:
Work your single crochet in the ring around the ring and tail yarn. Single crochet the desired number of stitches.

Step 5:
Pull tail yarn to cinch ring closed.
